**Degree Programs Available**

- **Bachelor of Social Work (BSW)**
  Prospective Social Work transfer students are urged to become familiar with the School’s curricula and rules in the *Undergraduate Catalog 2016–2018* at registrar.utexas.edu/catalogs/.

  Transfer students from Texas community colleges are eligible to graduate under UT Austin catalog rules in effect during the time they attend the community college. Those declaring the 2016–2018 catalog must satisfy all degree requirements by the end of the summer session 2024, including at least sixty semester credit hours completed in residence at UT Austin. Prospective students can monitor their UT degree progress and check degree applicability of transfer credit by using the “Planner” feature of UT’s Interactive Degree Audit (IDA) system at registrar.utexas.edu/students/degrees/ida/.

**External Transfer Admission in Social Work**

- Eligible external transfer applicants are admitted as pre-Social Work majors in the School of Social Work; subsequent admission to the BSW professional sequence is subject to approval by the school’s Office of Academic Affairs.
  Pre-Social Work admission does not imply or guarantee admission to the professional sequence.
- See socialwork.utexas.edu/how-to-apply/bsw-requirements/social-work-majors/ for information about admission to the BSW professional sequence.

**Use of Transfer Credit Toward Degrees**

The Office of Admissions evaluates courses from other institutions for comparability with UT Austin coursework, but the Office of Academic Affairs in the School of Social Work approves transfer credit for use in a degree program.

- Questions concerning *degree/graduation requirements* and degree applicability of transfer credit should be directed to the Office of Academic Affairs, School of Social Work SSW 2.204, UT Austin, Austin TX 78712 (512/471-5457). Prospective student information is at www.utexas.edu/ssw/how-to-apply/bsw-requirements/.

- Questions concerning *transfer admission* and transfer credit evaluation should be directed to the Undergraduate Admissions Center, John Hargis Hall, P.O. Box 8058, UT Austin, Austin TX 78713-8058 (512/475-7387). Admission information and Transfer Guides for other UT programs are at admissions.utexas.edu/apply/transfer-admission/.

**Special Notes**

- Due to course sequencing it will take a **minimum of 4 to 5 semesters** in residence at UT Austin for transfer students to complete the BSW curriculum.

- **Core curriculum** transfer credit from Texas community colleges is guaranteed to apply toward the UT Austin core, but degree plans may specify how to fulfill some core requirements. Recommendations in this Guide satisfy core requirements with courses normally prescribed by the BSW degree program at UT.

- Courses in which **grades lower than C−** are earned do not transfer. Grades from transfer credit are excluded from a student’s internal UT Austin grade point average computation.

- Up to six semester hours of **physical education activity** coursework may count as elective credit toward the BSW degree.

- Up to six semester hours in **Air Force, Military, or Naval Science** may count as elective credit toward the BSW degree by students commissioned through the UT Austin ROTC program.
