Undergraduate Affairs Committee Meeting
Minutes
March 27, 2015
UL 1116
1:00 - 3:00 p.m.

Guest: M. Hansen

Support: A. Snyder, H. Carson

1. Welcome and Review/Approval of Minutes from February 20, 2015

2. Core Transfer Library – Courses Not Offered at IUPUI
   • Endorsing the articulation of the courses we don’t offer to general education competency domains (will be counted at best as electives). T. Davis (Liberal Arts) and J. Watt/K. Marrs (Sciences) will lead the decision making on behalf of their schools and UAC can endorse their recommendation and then send it on to admissions.
   • Will bring back in April.

3. Program Review (S. Baker, C. Kacius, C. Gentle-Genitty)
   • Online Certificate in Special Education (Sarah Baker, Carolyn Gentle-Genitty, & Carole Kacius) - note: Education will submit revised proposal to Kathy Johnson on March 23 – she will forward to UAC immediately upon receipt (will be discussed at April meeting)
   • Discussion of UAC rubrics for majors, minors and certificates – planning for reorganization/clarification of procedures on Registrar and Division of Undergraduate Education websites.

4. Discussion of Process for Continuous Review/Approval of Courses Approved to General Education Core
   • Draft Proposal – Just a place to start the conversation!
   • Discussion over the process for continuous review/approval of courses approved to the General Education Core. Feedback provided was that it should be more simplified, five year cycle, faculty content knowledge instead of domain.

5. Communication Strategy – Refreshing the PULs
   • Announcement from Nasser regarding current assessment process being retired. The way of evaluating the PULs will be going away. The VALUE rubric will be used in the next month in a half.
   • IU Communications Plan

6. New Business

Proposals that will likely soon be ready for review:
   • Certificate in Data Analytics, Department of Computer and Information Science—School of Science
   • BS in Dental Hygiene
