**WHAT IS A SOCIAL SECURITY NUMBER (SSN)?**

A Social Security number (SSN) is used to report your wages to the U.S. government and to determine eligibility for Social Security benefits. Social Security numbers can be assigned to foreign workers who are authorized to work in the United States.

**WHEN IS AN SSN REQUIRED?**

**EMPLOYMENT**

You can begin work (and be paid) while you wait for your Social Security number to be issued. However, you must have applied for a Social Security number if you are employed in the U.S. or if you have received and plan to accept an offer of employment in the U.S.

**FELLOWSHIPS**

If you are going to receive a fellowship or scholarship payment from Georgetown University, you will need a Social Security number or an Individual Taxpayer Identification Number (ITIN) if you are not eligible for a Social Security number. To obtain an ITIN, submit a Form W-7 along with your tax return. If you need help filling out your Form W-7, contact the Tax Accounting Office at (202) 687-5448.

**IRS TAX FORMS**

All students in F-1 status who are non-resident aliens for tax purposes are required to submit a tax return form to the Internal Revenue Service if they have any U.S. source income (other than bank interest). A Social Security number or Individual Taxpayer Identification Number (ITIN) is required on Internal Revenue Service (IRS) tax return forms.

**WHEN IS AN SSN NOT REQUIRED?**

**REGISTERING FOR CLASSES**

It is not necessary to have a Social Security number in order to register for classes. The Georgetown ID number on your GOCard is used for most on-campus ID purposes.

**BANKING**

You do not need a Social Security number to open a bank account or for most other financial transactions. If you are an F or J visa holder, the bank may ask you to fill out Internal Revenue Service Form W-9BEN to prove that you are exempt from the requirement of providing a Social Security number. If you require written confirmation that you are not eligible for an SSN, you should apply for an SSN by completing the Form SS-5 and request written confirmation when that application is denied.

**DRIVER’S LICENSE**

D.C. will issue a Limited Purpose Driver’s License without an SSN. Virginia does not require an SSN to obtain a license, but will ask that you show your Social Security card, if you have one. Maryland requires a Social Security card, or a document from the Social Security Administration demonstrating non-work authorized status.
WHAT YOU NEED TO APPLY

All applicants must present:
- A completed application for a Social Security Card (Form SS-5)
- An unexpired passport
- I-94 Automated Printout (cbp.gov/i94)

F-1 STUDENTS must also present:

ON-CAMPUS EMPLOYMENT

OFF-CAMPUS EMPLOYMENT
