Three most common mistakes in active learning, accidental mentoring, "AltAc" careers and more - Nov. 5, 2014.

Tools for your teaching

Here's how to develop and use learning outcomes, active learning methods, and more.

Accidental mentoring

Sometimes your teaching doesn't go well, but you mentor students anyway: from a Stanford Med resident.

Beyond the tenure track

Doctoral candidates, open up your career search beyond the tenure track. Learn about "Alt Ac," or alternative academic, careers of choice in higher education.

SPOTLIGHT ON LEARNING:

Three most common mistakes in active learning

Ready to get your students more engaged? Prof. Mike Prince explains the top three pitfalls in active learning and how to avoid them.
