#### DO NOT SELF ADVISE

3/2015
This information has been supplied by Teacher Education. For questions, please e-mail teachereducation@missouri.edu.

Phase II Checklist

- Demonstration of competence of Phase I learning markers as demonstrated by satisfactory completion of Phase I courses
- Satisfactory completion of English 1000 Exposition and Argumentation with a C-range grade or higher (or equivalent)
- Satisfactory completion of Math 1100 College Algebra with a C-range grade or higher (or equivalent)
- Overall GPA of 2.750 or higher
- UM GPA of Record of 2.750 or higher
- Satisfactory completion of appropriate Missouri Educator Gateway Assessment(s)
- Currently enrolled in the College of Education
- Completion of application for Progression into Phase II
- Possession of characteristics associated with effective performance in a professional role at level and major selected
- Preferred Overall and UM GPA of 3.000 or higher

Decisions regarding Phase II admission are made by faculty. Meeting minimum requirements for admission to Phase II does not guarantee admission to Phase II.

As the CoED continues to implement the new Missouri Standards for the Preparation of Educators mandated by the Department of Elementary and Secondary Education (DESE), curriculum changes will be required that must be met in order to complete your degree and earn teacher certification. Those changes may become effective at any point during your academic program. Therefore, it is extremely important that you DO NOT SELF ADVISE.

Notes

- College Algebra
  Math 1100, 1160 or equivalent (C-range grade or higher)
  Please see www.mathplacement.missouri.edu for complete details regarding College Algebra exemption and earning College Algebra credit by proctored ALEKS exam.
- Writing Intensive (WI)
  Two courses: 3 cr. hr. writing intensive designated coursework from university curriculum (course may be used to fulfill a general education or CoED requirement); 3 cr. hr. professional education course, C-range grade or higher. Please see www.cwp.missouri.edu for writing intensive course options approved by semester. ENGLISH 1000 is a pre-requisite.
- General Education Distribution
  For a complete list of courses used to fulfill general education distribution areas (i.e. Biological, Physical, Mathematical Sciences; Behavioral and Social Sciences; and Humanities and Fine Arts), please go to www.geneducation.missouri.edu
- Math Reasoning Proficiency (MRP)
  Must require college algebra as a pre-requisite (C-range grade or higher)
- Intermediate Level
  Within distribution of content, the coursework must include at least one course numbered 2000 in two of the three areas of distribution.

  Missouri Educator Gateway Assessments (MEGA)
  - Missouri Educator Profile
  - Missouri General Education Assessment (MoGEA)
    - As part of Missouri state regulations for teacher certification, students must take the MoGEA.
    - Faculty may consider and/or prioritize MoGEA exam scores as a criteria when reviewing applicants for progression to Phase II.
  - Missouri Performance Assessment
  - Missouri Content Assessments
    - Individuals applying for certification through the Missouri Department of Elementary and Secondary Education (DESE) must pass the associated Content Area Tests/Subtests for each certificate.
