### PRINCIPALS OF UNDERGRADUATE LEARNING

Understanding of society and culture-

- compare and contrast the range of diversity and universality in human history, societies, and ways of life

### DEBRIEF WITH CLASS

**Q** What job descriptions sound like a good fit for you? Why?

a. Students should be able to compare their own knowledge, skills and abilities to those of particular jobs when answering this question.

**Q** What are the differences between some of the jobs you would enjoy?

a. Education required, common knowledge, skills and abilities, salary and other factors should all be a part of this conversation.

### REFLECTION

1. Explain what a typical employee in a particular role is like. Describe the knowledge, skills, abilities and other factors that make them qualified for that role.

2. Explain what makes you qualified (or what will after graduation) for a particular role.
What knowledge, skills, abilities, personality, technology, education and job outlook information are you considering? What are some of the similarities and differences between majors and careers you are considering?
