Instructions For Lifting The ADV20 Hold

Instructions for Lifting the ADV Hold:

1. Log into Axess
2. Select “Advising”
3. Scroll down to “Current Advisees”
4. Check the box beside the ADV20 Hold(s) you want to lift. You may select more than one box at a time.
5. Click on “release selected holds”
6. Voila, ADV Hold(s) lifted!
