Additionally, Texas Business Options offers business-related minors and nonmajor courses that can be used to supplement any UT Austin degree plan outside the McCombs School (see www.mccombs.utexas.edu/Business-Options/).

Prospective Business transfer students are urged to become familiar with the School’s curricula and rules in the Undergraduate Catalog 2018–2020 at registrar.utexas.edu/catalogs/.

Transfer students from Texas community colleges are eligible to graduate under UT Austin catalog rules in effect during the time they attend the community college. Those declaring the 2018–2020 catalog must satisfy all degree requirements by the end of the summer session 2026, including at least sixty semester credit hours completed in residence at UT Austin.

Prospective students can monitor their UT degree progress and check degree applicability of transfer credit by using the “Planner” feature of UT’s Interactive Degree Audit (IDA) system at registrar.utexas.edu/students/degrees/ida/.

Admission is highly competitive in the McCombs School; acceptance depends upon available space and the applicant’s qualifications compared to the entire applicant pool. Preference is given to applicants who select Business as their first-choice major.

Transfer students are admitted to Business only in fall semesters; applications are not considered for spring or summer admission.

Completion of ECON 2301+2302 and MATH 2413+2414 with grades of at least C– is required for external transfer admission consideration.

A transfer admission grade-point average (GPA) of at least 3.00 on a four-point scale is required for admission consideration, but applicants with GPAs less than 3.50 are unlikely to be admitted.

While not required for external transfer admission consideration, completion of ENGL 1301 is strongly encouraged before starting classes in the McCombs School.

The Office of Admissions evaluates courses from other institutions for comparability with UT Austin coursework, but the Dean’s Office in the McCombs School approves transfer credit for use in a degree program.

Questions concerning degree/graduation requirements and degree applicability of transfer credit should be directed to the BBA Program Office, McCombs School of Business, CBA 2.400, UT Austin, Austin TX 78712 (512/471-0690).

Prospective student information is at www.mccombs.utexas.edu/BBA/Prospective/.

Questions concerning transfer admission and transfer credit evaluation should be directed to Admissions Customer Service (512/475-7399). Admission information and Transfer Guides for other UT undergraduate programs are at admissions.utexas.edu/apply/transfer-admission/.

Core curriculum transfer credit from Texas community colleges is guaranteed to apply toward the UT Austin core, but degree plans may specify how to fulfill some core requirements. Recommendations in this Guide satisfy core requirements with courses normally prescribed by a student’s major field of study at UT.

Recommended courses do not include Skills & Experience Flag requirements, which are intended to be satisfied by courses taken in residence at UT Austin (see ugs.utexas.edu/flags/students/).

Courses in which grades lower than C– are earned do not transfer. Grades from transfer credit are excluded from a student’s internal UT Austin grade point average computation.

Physical education activity courses do not count toward degree requirements in the McCombs School, but grades and credit count toward external transfer admission.

Up to twelve semester hours in Air Force, Military, or Naval Science may count as nonbusiness or free elective credit toward degrees in the McCombs School by students commissioned through the UT Austin ROTC program.
