<td>If you are new to 4-H and have never logged on to 4hOnline before, you will need to build your family profile. Each family should have one profile that lists all family members involved in 4-H. Please use the following steps to setup your profile: Click on the &quot;I need to setup a profile&quot; option below. Fill in the information asked. Remember that the email address that you entered is the email that you will login with. You may change/update your profile info at any time after the initial enrollment.</td>
<td>Each member or volunteer must enroll in 4-H each year. DO NOT set up a profile. You already have an account. Your login is your email address. If you have forgotten or do not know your password, please select &quot;I forgot my password&quot;. A temporary password will be sent via email. You are required to re-enroll for the 2015-16 4-H year. Profile information may have changed so it is important that everyone (youth and volunteers) update their profile before submitting. Please be sure to double check your address, phone number, and email address and update if needed. Remember that there should only be one 4hOnline profile per family. If you are having problems logging on please contact your local county office.</td>
