International Office
International Internship Programs
Financial Responsibility Policy Summer 2020

Payment Due Dates for Program Fee (Deposit plus Program Balance):
Non-Refundable Deposit of $500: February 15, 2020
Program Balance: March 15, 2020
Additional Financial Penalty: March 16, 2020 (see penalty schedule below)

1. The $500 non-refundable deposit will be posted on the “What I Owe Page” in late January. The $500 non-refundable deposit is due by February 15, 2020 and non-payment of the full deposit will result in the student being dropped from the program. Note: If you have a $75 application fee outstanding, please pay that fee first. Otherwise part of your $500 deposit will go towards the application fee and you will end up being dropped because only $425 would be applied to your deposit.

2. After payment of the non-refundable deposit, a student who decides to withdraw must do so by March 15th to avoid financial penalty on the program balance. To withdraw from the program, please email the International Internship Programs internship coordinator at international.internships@austin.utexas.edu.

3. The program balance will be posted on the “What I Owe Page” in early March and will be due by March 15th. Unless financial arrangements have been made with the International Internship Program internship coordinator, failure to pay by the due date may result in the student losing their place in the program. Please contact the International Internship Programs internship coordinator to make arrangements if the payment deadline cannot be met.

4. A student who withdraws after March 15th will owe the following amount regardless of whether the student has or has not paid. Program budgetary commitments and decisions were made on the basis of student enrollment. Therefore, a student will be liable, barred, and responsible for the payment of the bill posted on the “What I Owe” page.

5. The International Internship Programs do not meet the requirements for financial aid. Financial aid requires six hours of academic credit in the summer, and this program does not meet these requirements.

6. If a student is dismissed from a program, his/her petition will be reviewed on a case by case regarding non-recoverable costs.

7. In the event of non-enrollment in the program due to withdrawal, dismissal, program cancellation, or other reasons, the University of Texas at Austin will not be able to provide refunds for any expenses incurred or having to do with air travel, accommodations, food, books/supplies or miscellaneous costs of living overseas borne by the student and not included in the program fee. Students are advised to investigate the coverage and cost of a Travel Insurance Policy that might cover some of those costs.

8. In the event of non-enrollment in the program due to withdrawal, dismissal, program cancellation, or other reasons, students who received a scholarship are required to return the funds.
