EAST CAMPUS UPDATE: 6/15 - 6/21/2019

MANZANITA GARAGE

• Extended work hours: M – F, 7am - 6pm and Saturdays, 9am – 5pm through the end of the project.
• The site will operate under normal Saturday work hours on 6/15. Work is expected to be relatively quiet and will be within the fence line only.
• The first of several large concrete pours for field level of the garage will occur on 6/21 from 8am – 8pm. These pours are schedule each week through the end of July and will involve +/- 100 concrete trucks accessing the site per pour. Concrete placement is anticipated to be complete by 6pm with finishers remaining on the deck until 8pm.
• There will be intermittent impacts for equipment to access the Fire Lane between the site and Schwab through 6/29. There will be minimal noise associated with this activity.
• There will be two to three concrete pours per week, occurring Wednesday through Friday, from now through the end of summer.
• Post-tensioning of the elevated deck concrete is scheduled for each Monday. This activity may go past 5pm. No noise impacts are anticipated.

Work Hours:
M-F: 7am - 6pm, Saturday: 9am - 5pm

Project Contact:
estcampusconstruction@stanford.edu
Kharon Hathaway, Senior Project Manager

ESCONDIDO VILLAGE GRADUATE RESIDENCES

• Irrigation scheduled along Village Way. Expect intermittent traffic impacts and noise from trenching operations.
• McFarland residents: intermittent ped/bike impacts at the north entry due to crane work.
• Structural steel and decking continues at the Pavilion. Expect intermittent noise from sawcutting, hammering, and grinding.
• Site utilities work continues. Expansion of the construction fence scheduled this summer.
• Studio 2/Quillen temporary parking lot closure - 6/24/19-Summer 2020.
