HOW TO UPLOAD A DOCUMENT USING YOUR CAMERA

In your camera, you will need to go to the webpage with the upload widget or click on the Qualtrics link for the form that you are filling out.

Click on “Select files from your device”.

You’ll have the option to
- Take a photo or video
- Use your photo library
- Browse for your document

1. Fill out a description (e.g. Central Market Receipt 2/9/19). Please put the date in the description.
2. Fill out your email address.
3. Press upload.

You will get a “success message” if your upload has been successful.
