The English major combines a love of language and literature with a rigorous study of their meaning and mystery. As an English major, you will immerse yourself in any variety of text, from the heroic sagas of medieval Britain and Ireland to the theory and practice of Rhetoric and Technical Communication.

You may learn the craft of composing strong and evocative prose through the art of Creative Nonfiction, attune your ear to the resonant voices of poets through the ages, or discover the enormous variety of form and voice encompassed by American Literature. You may attain a nuanced understanding of Shakespeare’s dramas and the rapier with of Jonathan Swift or explore the structure and cultural function of language itself through the discipline of Linguistics.

No matter where your interests take you on your journey through the English major, you can anticipate learning the art and craft of composing persuasive prose and enhancing your powers of advanced critical thought in a challenging yet nurturing intellectual environment.
