Animal Agroemergency Programming and EDEN

Tommy Bass
Livestock Environment Associate Specialist & EDEN Delegate
January 26, 2017

I’ll worry about emergencies later...

- Natural Disasters
- Foreign Animal Disease
- Mass Mortality
- Contaminated Feed and Products
- Manure Spills
- Fuel and Chemical Spills
- Worker Accidents

Connecting Animal Ag and Emergency Information

- Engaging and participating with EDEN
- Formal professional Extension network
  - EDEN State Delegates and POC
- https://eden.lsu.edu/
  - Search terms: “EDEN Extension”
  - Information available to the public and organizations

The archived presentation is available at:
http://articles.extension.org/pages/21819/chronological-webcast-archive
EDEN is a Platform for:

- Professional Development
- Collaboration
- Grant Writing
- Programs and Outreach
- “Educational Mutual Aid”
- Supported by:
  - USDA
  - NOAA
  - Participating Land and Sea Grants

MT Training and Exercises: S-CAP Workshops
