The **WDSF Competition Rules** apply to DanceSport governed by the World DanceSport Federation and all of its Members.

They govern the activities of WDSF Member bodies and all persons who are members of such Member bodies or who are registered with or affiliated with such Member bodies. The principal purpose of any application and interpretation of these *Rules* is the best interests of WDSF.

**Anti-doping**

Doping is forbidden, according to the terms of the **WDSF Anti-Doping Code**.

The WDSF recognises the Anti-doping policies of the World Anti-Doping Agency (WADA) and adopts and applies a **WDSF Anti-Doping Code** corresponding to the WADA Anti-Doping Code. All participants in WDSF DanceSport, including, but not limited to athletes, couples, formations, Chairpersons and Adjudicators, must abide by the **WDSF Anti-Doping Code** and all related WADA regulations and policies.

**A. General**

1. **Rule A.1 (Controlling Organization)**

   1.1. The World DanceSport Federation (WDSF) is the governing body for all DanceSport competitions and athletes including competition at all levels, internationally and in each country including through that country’s WDSF Member body. The only DanceSport competitions that WDSF does not claim to govern and maintain jurisdiction over are those specially declared to be excluded, or to be excluded for a period of time, by the authority of the WDSF Presidium.

   1.2. The WDSF is the sole authority worldwide for the determination of amateur status.

2. **Rule A.2 (Application)**

   2.1. These Rules apply to all DanceSport Competitions granted by WDSF, including but not limited to Standard and Latin-American competitions (including 10-Dance, Formations, Team Matches, Teacher-Student competitions, Showdance and Smooth Dance), as well as other dances such as Rock’n Roll and Boogie-Woogie, Wheelchair
Dancing, Urban Dances, Performing-, Stage- and Theatre Dances, Caribbean Dances, Artistic Group DanceSport and Folkloric Dancing, (hereinafter collectively referred to as: “Dance Disciplines”), provided always that: Rules for Teacher-Student DanceSport are administered by the WDSF Professional Division; Rules for Rock’n’Roll and Boogie-Woogie are administered by the WDSF Associate Member the World Rock’n’Roll Confederation; Rules for Wheelchair DanceSport are administered by the World Para DanceSport.

2.2. Every competitor who competes in a competition granted by WDSF must be a Member of or registered or affiliated with a WDSF Member body.

2.3. These Rules apply without exception to all sorts of Standard and Latin-American competitions, if not otherwise indicated. The Preamble and Sections A and B of these Rules and the appendices “WDSF Athletes’ Code of Conduct” and “WDSF Adjudicators’ Code of Conduct and Standards of Ethics” also apply to Other Dances, unless otherwise indicated, while sections C to E and sections X to Z of these Rules and all other appendices apply to Other Dances mutatis mutandis.

2.4. The appendix WDSF Adjudicators’ Code of Conduct and Standards of Ethics generally applies for Adjudicators and Chairpersons licensed by WDSF, notwithstanding if they are acting in events covered by Rule A.2.1 or not. In the context of this sub-paragraph, the words “competition” or “competitions” in the WDSF Adjudicators’ Code of Conduct and Standards of Ethics refer to all sorts of competitions, not just to events covered by Rule A.2.1 above.

2.5. If a certain act of a WDSF Adjudicator or WDSF Chairperson is assessed as a violation of the WDSF Adjudicators’ Code of Conduct and Standards of Ethics, and if such a misconduct did not happen in connection with an event covered by Rule A.2.1 above and a WDSF Member Body claims its jurisdiction to handle the regarding case, then the jurisdiction of that WDSF Member Body to pursue and sanction such a misbehaviour prevails, provided that

- that Member Body has Rules in force which describe the specific misconduct in kind and degree,
- these Rules are enforced by that Member Body without delay; and
- the violation of this Code is connected with an activity by or in the name of that Member Body or granted by that Member Body.

Even though a situation according to this Article obtains, WDSF’s jurisdiction regarding its affairs under the terms of Rules A.2.9 and A.2.11 below remains preserved.

2.6. In cases of overlapping jurisdictions as defined in Rule A.2.5 above, a WDSF Member Body is obliged to claim its jurisdiction towards WDSF without delay as soon as

- that Member Body realises that the WDSF Adjudicators’ Code of Conduct and Standards of Ethics has been violated; or
- that Member Body is informed of the misconduct by a WDSF representative.
2.7. Notwithstanding which body terminates the proceedings or imposes a sanction, Member Bodies of WDSF are obliged to cooperate with WDSF, to make any and all evidence available to WDSF as well as to fully share their files regarding a violation of the WDSF Adjudicators’ Code of Conduct and Standards of Ethics with WDSF, whenever Rule A.2.4 above applies. Failing to comply with this sub-paragraph by a WDSF Member Body constitutes a breach of Article 11.6 of the WDSF Code of Ethics.

2.8. A Member Body may ask the Presidium if in its view a situation to which Rule A.2.5 above is applicable obtains and what sanction would ordinarily be imposed by the WDSF Presidium for a specific kind of misconduct. However, in case of any dispute, notwithstanding any opinion given by WDSF re: same, the WDSF Presidium determines in its absolute discretion if the conditions in Rule A.2.5 are in place. The Presidium is obliged to make timely answer to inquiries based on this paragraph. In any case, the WDSF Presidium and the WDSF Member Body shall coordinate their activities.

2.9. Notwithstanding the principle established in Rule A.2.5 above, the jurisdiction of the WDSF based on Rule A.2.4 above remains a parallel jurisdiction as long as the Member Body either

- in a timely manner imposes a sanction of the same kind and degree as if the proceedings had been directed by WDSF on the Adjudicator or Chairperson that violated the WDSF Adjudicators’ Code of Conduct and Standards of Ethics; or
- the Member Body informs WDSF of the results of its investigation and the WDSF Presidium agrees that the WDSF Adjudicators’ Code of Conduct and Standards of Ethics had not been violated by the regarding Adjudicator or Chairperson or it is in its view not appropriate to impose a sanction on that person.

2.10. For the purpose of enforcing Rules A.2.5 and A.2.9 above, WDSF Member Bodies are obliged to publish the original decision that terminated their proceedings on their official websites, including full information about all sanctions which were imposed on the Adjudicator or Chairperson that allegedly also violated the WDSF Adjudicators’ Code of Conduct and Standards of Ethics, as well as to disclose the results of their investigation and the weblink to the decision mentioned in this Rule to the WDSF Presidium.

2.11. The powers of the Presidium, in particular of the Vice-President for Sport and of the Sports Director to investigate possible violations of the WDSF Adjudicators’ Code of Conduct and Standards of Ethics are not limited by Rules A.2.5 and A.2.9 above. If in the opinion of the WDSF Presidium a Member Body with a parallel jurisdiction regarding a certain kind of misconduct either fails to render a timely decision, failed to impose an appropriate sanction or refuses to cooperate with the WDSF Presidium completely or partially, the WDSF Presidium may impose sanctions on a person based on WDSF’s jurisdiction. Sanctions based on this Rule A.2.11 are subject to an Appeal to the WDSF Disciplinary Council.

2.12. If Rule A.2.5 above applies, time-limited suspensions imposed by the WDSF Presidium on an Adjudicator or Chairperson based on Rule A.2.11 above for an act
that violated the WDSF Adjudicators’ Code of Conduct and Standards of Ethics shall be set off against the length or period of suspensions imposed by a WDSF Member Body for the same misconduct if these sentences were served fully and as far as the suspension was adopted by WDSF. To this extent, the legal principle of ne bis in idem does not apply in these cases.

2.13. If a suspension (including provisional suspensions) has been imposed by WDSF on persons mentioned in Rule A.2.4 above or a license of such persons has been revoked by the Presidium based on these Rules (including provisional revocations), WDSF Member Bodies are obliged to adopt such sanctions and measures also regarding the work and representation of the sanctioned person for their Federation during the time of the suspension or revocation.

2.14. Suspensions (including provisional suspensions) or revocations of licenses (including provisional revocations) imposed by a WDSF National Member Body on persons mentioned in Rule A.2.4 above can, on request by that National Member Body, be adopted by the WDSF Presidium regarding the work and representation of the sanctioned person for WDSF during the time of the suspension or revocation, if

- the alleged misconduct of the regarding person had violated these Rules and the imposed sanction had been imposed by WDSF similarly in kind and degree if the contravention had happened under WDSF’s jurisdiction,
- the regarding National Member Body has an independent organ installed which is entitled to assess sanctions and measures such as imposed in the specific case and the regarding person had access to that body,
- an adoption of the sanction or measure regarding WDSF’s affairs seems appropriate to preserve the reputation of WDSF.

The WDSF Presidium determines in its absolute discretion whether or not to impose a sanction based on this Rule. If the Presidium decides to apply this Rule, no one is entitled to claim any indemnification or compensation if the decision of the National Member Body to impose a suspension or to revoke a license is later altered or set aside by the competent body.

2.15. For the purpose of enforcing Rule A.2.14 above, National Member Bodies are obliged to make the information mentioned in Rules A.2.7 and A.2.10 above available to the WDSF.

2.16. Adopted sanctions and measures based on Rule A.2.14 above may be subject to an Appeal to the WDSF Disciplinary Council. In such cases, the subject-matter of the Appeal is limited to the assessment if the conditions in Rule A.2.14 above were given.

3. Rule A.3 (Control of the Regulations)

3.1. The WDSF Sports Director must ensure that these Rules are followed at competitions granted under these Rules. The Sports Director may delegate this responsibility to a Chairperson.
4. Rule A.4 Authority of the Presidium

4.1. The WDSF Presidium is responsible for enforcing these Rules.

4.2. The Presidium shall have the authority to make decisions on matters not covered by these Rules.

4.3. The Presidium may impose supplementary rules for specific events.

4.4. The Presidium has the authority to include more dances, styles and competition types under the jurisdiction of these Rules. Such inclusions may only be made by an Operating Policy, which shall have the immediate effect of temporarily amending these Rules until the date of the next Annual General Meeting following the date of enactment of the Operating Policy. The Presidium must present a motion to amend these Rules at that AGM in order to replace or revoke that part of the Operating Policy.

4.5. The Presidium has the authority to amend all provisions of these Rules and to declare that provisions in these Rules do not apply if such amendments and reservations only apply to Other Dances (see Rule A.2.1) and are made in order to accommodate specific needs of such dances. Such amendments and reservations may only be made by an Operating Policy which shall have the immediate effect of temporarily amending these Rules for a maximum of five years. During that time, the Presidium must present a Motion to the General Meeting to amend these Rules in order to replace or revoke that part of the Operating Policy.

4.6. The authority of the Presidium to put new activities under the jurisdiction of these Rules (see Rule A.4.4 above) includes the power to amend all provisions of these Rules and to declare that other provisions in these Rules do not apply to such new activities. Such amendments and reservations may only be made in an Operating Policy following the same procedure as in Rule A.4.5.

4.7. Operating Policies according to Rules A.4.4 to A.4.6 above must be published on the WDSF Website in order to be enforceable.

5. Rule A.5 (Application of these Rules)

5.1. WDSF Member bodies are responsible for compliance with the WDSF Competition Rules in their respective countries and should use them as guidelines for their own rules.

6. Rule A.6 (Fees for WDSF Competitions)

6.1. The WDSF Financial Regulations include the maximum fees which may be charged from time to time by the Presidium for the granting of Championships, Cups and competitions under these Rules (also called "WDSF Competitions" in these Rules).
6.2. The authority of the Presidium to put new activities under the jurisdiction of these Rules or to amend or limit the application of these Rules with respect to Other Dances (see Rules A.4.4 to A.4.6) includes the temporary power to fix and amend the fees for such new WDSF Competitions or competition types for the five years following the inclusion of the relevant activity in these Rules. During that time, the Presidium shall present a Motion to the General Meeting to amend the WDSF Financial Regulations accordingly.

Y. Rules for Complaints and Objections

1. Rule Y.1 (Complaints)

1.1. Complaints according to these Rules are the means to oppose against decisions of Chairpersons if the criteria for an objection (see Rule Y.2 below) do not apply. Complaints are made according to article 5 of the WDSF Internal Dispute Resolution Code. However, the WDSF Presidium, in particular the Vice-President for Sport, as well as the WDSF Sports Director has the discretion to initiate an investigation concerning any conduct related with WDSF’s sports activities. Article 1.2.4 of the Internal Dispute Resolution Code applies.

2. Rule Y.2 (Objections)

2.1. Objections are the legal remedy against decisions or omissions of Chairpersons (including decisions taken by the WDSF Sports Director if s/he is present at a competition) if such decisions or omissions have an influence on the further participation of the person or team in an ongoing competition. The purpose of objections is to give Chairpersons explanations for an alleged violation of these Rules immediately to help them reconsider without inconvenient delay. Decisions or omissions of Chairpersons which do not or no longer affect the participation of a person or team in a competition, may only be challenged by the means of complaints (see Rule Y.1 above). Objections to alleged breaches of these Rules during competitions must be handled as follows:

2.1.1. In couple competitions one partner, or in formation team competitions the team captain, as well as in athlete’ competitions the athlete himself or herself may submit an Objection in writing with the Chairperson before the start or after the end of every round.

2.1.2. The Chairperson must accept any Objection made according to paragraph 2.1.1 and must make a decision to sustain or overrule the Objection, which decision shall be final concerning the result of the competition in which the decision was taken. The same decision can be the subject of a complaint according to Rule Y.1, but will no longer have an effect on the results of the competition.

2.1.3. Every Objection and corresponding decision must be noted in the Chairperson’s Report.

2.2. If neither the Objection procedure applies, because a decision or omission does not have an influence on the further participation of a person or team in an ongoing competition (anymore), nor any decision of a WDSF Official can be targeted by the means of a Complaint according to Rule Y.1 above, a Report can be filed according
to Article 4 of the WDSF Internal Dispute Resolution Code. However, alleged violations of the provisions listed in Rule Z.1:2 may be notified to the Chairperson, who is obliged to note such notifications in the Chairperson's Report.
1. Rule Z.1 (Infringements)

1.1. The following bodies are entitled to impose sanctions according to the provisions in these Rules:

1.1.1. The Presidium

1.1.2. The WDSF Sports Director

1.1.3. WDSF Chairpersons

1.2. The following infringements may lead to sanctions defined in these Rules:

1.2.2. Violations of the WDSF Statutes, the WDSF Code of Ethics, other WDSF Rules or WDSF Regulations, in relation to a WDSF competition;

1.2.3. Violations of the WDSF Athletes’ Code of Conduct and Standards of Ethics, any conduct that is prejudicial to the interests of WDSF or any gross misconduct committed by athletes, couples or teams;

1.2.4. Violations of the Adjudicators’ Code of Conduct and Standards of Ethics, any conduct that is prejudicial to the interests of WDSF or any gross misconduct committed by Adjudicators, Chairpersons or Invigilators.

1.3. If other people expressly agreed to be bound by the documents listed in paragraph 1.2 above, or any of them, sanctions may be imposed on them as if they were athletes. The form of consent, signed by such people must include the warning that sanctions may be imposed on them in cases of contraventions (see also Article 21 paragraph 5 of the Statutes).

1.4. Chairpersons

The sanctioning powers of Chairpersons are limited to reprimands, disqualifications of athletes, couples or teams, dismissals of adjudicators and other persons working at a competition, and temporary or permanent exclusions of any persons from an event. If the WDSF Sports Director is present at a competition, s/he has the same powers as the Chairpersons.

1.5. Presidium
The Presidium may initiate investigations and proceedings and sanctions according to these Rules regarding any infringements listed in Rule Z.1.2 above.

1.6. Procedure for sanctions imposed by the Presidium

If the Presidium intends to impose sanctions based on investigations or proceedings initiated according to Rule Z.1.5 above, the proceedings shall be governed by the provision specified in Article 1.2.4 of the Internal Dispute Resolution Code.

These Regulations are part of the WDSF Competitions Rules by reference in Rule C.6

Explanation for Men's dress regulation:

Dress shirt: wing collars may not be worn. Bow ties may not be worn.

Explanation for Woman's dress regulation:

If a black one-piece dress is worn, a black jacket is mandatory, but then wearing a white blouse is not mandatory. Women may wear a necktie like men. The scarf must be worn around the neck. The WDSF scarf may be shortened if desired providing, that shortening does not interfere with or alter the intended design and appearance of the scarf. Long evening dresses may not be worn.

A white shirt for ladies in the shape and customary cut of a "Ladies' Top" or "T-Shirt" fulfils the requirement of a "blouse" in these new Rules if such a shirt is worn with a black jacket and WDSF Scarf.

The black jacket must have the shape of a business suit, e.g. a blazer. Casual dress jackets or improvisations to jackets (e.g. with rolled up sleeves) may not be worn.

These Regulations are part of the WDSF Competition Rules by reference in Rule E.10.

Appendix Competition Number Cards

1. General

Competition Number cards shall have a minimum and maximum size.

Characters on Competition Number Cards must be printed in a font permitted in this Appendix.

The font showed below displays clear differences between digits with similar features, e.g. 1 & 7, 5 & 6, 8 & 9. E.g. see below.

The production of the number cards should require minimum effort, using standard fonts and standard printing machines.

Fonts must have a proportional layout, e.g. the digit “1” is much smaller than digit “5”. However this Appendix does not fix the width of every digit regardless of the proportional font, because doing so would require too much effort from the number card designer and print shop, because then each digit would have to be fitted individually, rather than using a standard font face.

All word processing software can compress the font used to fit into a given frame, so this technique must be used.

2. Permitted Colours

The highest contrast can be achieved by using white paper and printed black digits or black paper with printed white digits.

In big competitions it might be needed to use number cards in different colours to support the organization.

In this case the print shall be always black. The colour used for the number cards must always guarantee that the contrast stays as high as possible to allow all officials to read the numbers clearly from every position around the competition floor.

3. Size of Competition Number Cards

The back of Juvenile and Junior boys is of course much shorter and narrower than those of Youth or Adults.

So two possible sizes are permitted:

Size “small”

This size can be used for all WDSF age groups, but is mandatory for Juvenile I & II and Junior I competitions.

This size fits only the following WDSF age groups: Junior II, Youth, Adults and Senior.
