If yes, provide detailed information including dates. Please note, violations of the Community Living Standards that resulted in a meeting with Housing staff and a finding of responsibility would constitute disciplinary action even if you completed sanctions and are now back in good standing with the university as would violations of the Statement of Student Rights and Responsibilities where you met with the Office of Student Conflict Resolution.

Note: Answering "yes" will NOT automatically preclude you from participating. However, failure to answer truthfully and completely may result in your being disqualified from participating in this program.

Have you ever been convicted of a crime (following a jury or bench trial, a guilty plea, or a nolo contendere plea), including misdemeanors and infractions, but excluding minor traffic violations, or are such criminal charges pending or expected to be brought against you? Have you even been charged with a criminal offense that was resolved by you accepting responsibility for a civil infraction? If yes, please explain.
