Activity #1: What’s in the Community?

Time: 20 minutes

Journey Connection: Session 4 – Choosing a Take Action Project

Materials Needed: None

1. Explain to the girls that they will be going on a walk around the neighborhood. While on the walk, they will be looking for ways that they can improve their community (e.g. cracks in the sidewalk, a lot of garbage on the ground, not enough plants, etc.).
2. Take the girls on a walk around the neighborhood surrounding your meeting place.
3. When you return from your walk, ask the girls to reflect to themselves things that they noticed during their walk.
**Activity #2: Take Action Brainstorming + Snack**  
**Time:** 10 minutes

Journey Connection: Session 5 – Taking Action  
Materials Needed: Chart paper; marker; healthy snack

1. Pass out a healthy snack to each girl.  
2. Ask the girls what they observed about their neighborhood on their walk. Write their ideas down on the chart paper.  
3. After the girls have identified some needs in their community, ask them what they think they could do to fix it. Write down their ideas next to the problem identified on the chart paper.  
4. Explain to the girls that they will write letters to their community about a change they want to see happen.

**Activity #3: Letter Writing**  
**Time:** 30 minutes

Journey Connection: Session 5 + 6 – Taking Action and Making the World a Better Place  
Materials Needed: Lined paper; pens and/or pencils; envelopes; chart paper; marker

Prep Needed:  
- (Optional) Look up addresses to local officials and/or community members.

1. Ask the girls if they've written a letter before. Review the components of a letter and write an example (template) on the chart paper.  
2. Provide time for the girls to write letters about creating a change in their community.  
3. When the girls have completed their letters, help them address envelopes to the recipient of the letter.  
4. After the meeting, deliver the letters to the appropriate person.

**More to Explore**

- **Field Trip Ideas:**

- **Speaker Ideas:**  
  - Meet with a community member and/or a local official to find out what some of the issues are in the community.
NOTE TO LEADERS

Take Action projects are an important part of the Journey process and can seem intimidating. This activity plan is a suggestion (with instructions) of a project that your troop can do.

If your troop is inspired to plan and complete a different Take Action project, go for it! The most important part of a Take Action project is that girls are involved in doing something to make a difference in their community.
