Public Policy Program
Application for Honors 2018-2019

Name: ____________________________ Date: ______________________

Proposed Thesis Title: ________________________________________

Guidelines

Attach a brief description (1-3 pages) of your proposed research topic. Discuss the major questions you plan to address in your thesis, the public policy implications your thesis may have, and the research methods you plan to use. Include a preliminary bibliography of at least 6 academic references (journal articles or chapters in books) and an unofficial transcript. You are required to meet with the director of the honors program, Marcelo Clerici-Arias, and obtain the sponsorship of a faculty member who approves the thesis description and agrees to serve as a thesis adviser prior to submitting an application to the honors program. Your thesis advisor must sign this form. We will review your proposal, and we will contact you regarding your application acceptance.

Application Deadline: Friday, October 12, 2018
Submit to: Kylie De La O-Ménard at Landau Economics Building, Office #126, 579 Serra Mall
