Knowledge & Skills Gained as a Foreign Language & Literature Major:

- **Communication**: Foreign language majors gain skills in oral expression, critical reading, translation/interpretation, clear writing, and editing in foreign languages.

- **Human Relations**: Appreciation for other cultures, adaptability to different environments, and receptivity to new ideas are developed by both studying abroad and studying other cultures.

- **Research & Problem Solving**: Comparison of ideas, problem identification, developing problem solving techniques, and information analysis are skills strengthened with a foreign language major.

- **Education & Instruction**: Many foreign language majors gain valuable instructional skills by tutoring others in both the oral and written aspects of the language.

Concentrations Available in Foreign Languages & Literature:

- Spanish

Career Opportunities:

By nature, Liberal Arts majors make great employees in any field because of their ability to communicate effectively, think critically and solve complex problems. These timeless skills make them attractive to employers in all walks of society. Specifically though, Foreign Language & Literature majors often pursue careers as:

- Logistics Coordinator
- Foreign Languages Teacher
- Study Abroad Advisor
- Translator/Interpreter
- Government, FBI, DEA
- Foreign Services Officer
- Immigration Agent
- International Relations Specialist
- Non-Profit Administration
- Linguist

When the Foreign Languages & Literature (FLNG) major is matched with complementary minors, majors and thoughtful internships, new possibilities arise.

A few examples are:

- **FLNG + Business minor + industry internship =** business world opportunities, especially international business

- **FLNG + Medical school =** Physician who can work with diverse communities across the globe in programs like “Doctors Without Borders” or the World Health Organization

- **FLNG + Teaching certificate =** Foreign Languages public school teacher

- **FLNG + Social Work major =** Social worker who is able to communicate with more members in a community

- **FLNG + Latino/Latin American Studies =** Non-Profit Management

- **FLNG + International Studies =** Foreign Service

Student Opportunities:

- **Sigma Delta Pi** - Spanish National Honor Society
- **El Club de Español** - A club for students interested in Spanish language and culture
- **Pi Delta Phi** - French National Honor Society
- **Stammtisch** - A weekly German conversation table between students and faculty
- **Variety of service learning opportunities**

Did you know?

Being bilingual makes you smarter. Bilingual brains are structurally different from monolingual brains, containing a thicker layer of grey matter. Bilinguals are better and quicker at solving certain puzzles and problems than their monolingual counterparts.
