Schedule for Reaffirmation of Accreditation
Fall 2014 through Fall 2021

The institutions below have completed or will be completing the Institutional Review Process for reaffirmation of accreditation, consisting of an Offsite Review and an Accreditation Visit, as described in the 2013 Handbook of Accreditation. Institutions are listed here by the term of their Offsite Reviews. The Accreditation Visit typically takes place one term after the Offsite Review.

Public institutions on this list post their institutional reports for reaffirmation on their websites. Private institutions (non-profit and for-profit) have discretion on whether to make available their institutional reports on their websites.

The Commission takes action after the Accreditation Visit. Once the action is taken, the Commission Action Letters and evaluation team reports for these reviews are made available on the WSCUC website through the Directory of Institutions listing.
