- **Effective Date of Coverage:** Effective Date of Coverage: Benefits will be effective on the first of the month following your date of hire. The exception is if your hire date is the 1st day of any month. Then your effective date will be the 1st of the month that you started work. Coverage may NOT be back dated to your date of hire.
• **Processing Time:** Once your application is received and is in good order your application will be sent to the State of Maryland Employee Benefits Division for processing. Normal processing time for these applications can take 30-45 days.

Regardless of when you enroll within your 60 days of hire, your benefits coverage will still be effective on the first of the month following your date of hire. If it applies, you will be responsible for paying any mandatory retroactive adjustment payments for periods of coverage back to your benefits effective date.

Even though your coverage will become effective the 1st of the month following your hire date you will not receive your benefits cards until the State of Maryland Employee Benefits Division has processed your application. If you have a medical need during this time you may be required to pay out of pocket for these services by your medical providers. If you pay out of pocket for a service it may be possible to submit claim forms for reimbursement. For more information, please contact the State of Maryland Employees Benefits Division at (410)-767-4775.
