

ATTN: International Tax Reform Working Group

Dear Representative Nunes and Blumenaur,

I am writing to ask that the International Taxation Committee of the Ways & Means Committee for Tax Reform seriously consider the ACA proposal for reform to Residency-based taxation RBT. See link:

As one of nearly 7 million American citizens living, working and voting from abroad, and contributing to the economic growth of the U.S. economy, I believe the current Citizenship based taxation regime must be reformed.

Please seriously consider the RBT proposal submitted by American Citizens Abroad (ACA). A move towards a residence-based system, like the rest of the world, not only would it be simpler and fairer for Americans living abroad.

Yours sincerely,

Jo Anne Born
