Prospective Liberal Arts transfer students are urged to become familiar with the College’s curricula and rules in the *Undergraduate Catalog 2018–2020* at registrar.utexas.edu/catalogs/.

Transfer students from Texas community colleges are eligible to graduate under UT Austin catalog rules in effect during the time they attend the community college. Those declaring the 2018–2020 catalog must satisfy all degree requirements by the end of the summer session 2026, including at least sixty semester credit hours completed in residence at UT Austin. Prospective students can monitor their UT degree progress and check degree applicability of transfer credit by using the “Planner” feature of UT’s Interactive Degree Audit (IDA) system at registrar.utexas.edu/students/degrees/ida/.

### External Transfer Admission in Liberal Arts

- Admission preference is given to applicants who select a Liberal Arts degree as their **first-choice major**.
- **Psychology** applicants must select the major as their first choice.
- **Undeclared major** status is not open to external transfer applicants.

### Use of Transfer Credit Toward Degrees

The Office of Admissions evaluates courses from other institutions for comparability with UT Austin coursework, but the Dean’s Office in the College of Liberal Arts approves transfer credit for use in a degree program.

- Questions concerning **degree/graduation requirements** and degree applicability of transfer credit should be directed to the Student Division, College of Liberal Arts, GEB 2.306, UT Austin, Austin TX 78712 (512/471-4271). Prospective student information is at liberalarts.utexas.edu.
- Questions concerning **transfer admission** and transfer credit evaluation should be directed to Admissions Customer Service (512/475-7399). Admission information and Transfer Guides for other UT undergraduate programs are at admissions.utexas.edu/apply/transfer-admission/.

### Additional Notes

- **Core curriculum** transfer credit from Texas community colleges is guaranteed to apply toward the UT Austin core, but degree plans may specify how to fulfill some core requirements. Recommendations in this Guide satisfy core requirements with courses normally prescribed by a student's major field of study at UT.
- Recommended courses do not include **Skills & Experience Flag** requirements, which are intended to be satisfied by courses taken in residence at UT Austin (see ugs.utexas.edu/flags/students/).
- Courses in which **grades lower than C-** are earned do not transfer. Grades from transfer credit are excluded from a student’s internal UT Austin grade point average computation.
- One course chosen from **ENGL 2322, 2323, 2327, 2328, 2332, or 2333** or UT Austin’s E 316L, 316M, 316N, or 316P is required in all College of Liberal Arts degrees, even if other transfer credit is used to satisfy the core curriculum 040 Humanities requirement.
- **College Algebra** (MATH 1314 or 1414) does not count toward degree requirements in the College of Liberal Arts, but grades and credit count toward external transfer admission.
- **Physical education activity** courses do not count toward degree requirements in the College of Liberal Arts, but grades and credit count toward external transfer admission.
