Prospective Liberal Arts transfer students are urged to become familiar with the College’s curricula and rules in the Undergraduate Catalog 2016–2018 at registrar.utexas.edu/catalogs/.

Transfer students from Texas community colleges are eligible to graduate under UT Austin catalog rules in effect during the time they attend the community college. Those declaring the 2016–2018 catalog must satisfy all degree requirements by the end of the summer session 2024, including at least sixty semester credit hours completed in residence at UT Austin. Prospective students can monitor their UT degree progress and check degree applicability of transfer credit by using the “Planner” feature of UT’s Interactive Degree Audit (IDA) system at registrar.utexas.edu/students/degrees/ida/.

Admission preference is given to applicants who select a Liberal Arts degree as their first-choice major.

Psychology applicants must select the major as their first choice.

Admission to Urban Studies requires completion of MATH 1342 and 2413 with grades of at least C+.

Undeclared major status is not open to external transfer applicants.

The Office of Admissions evaluates courses from other institutions for comparability with UT Austin coursework, but the Dean’s Office in the College of Liberal Arts approves transfer credit for use in a degree program.

Questions concerning degree/graduation requirements and degree applicability of transfer credit should be directed to the Student Division, College of Liberal Arts, GEB 2.306, UT Austin, Austin TX 78712 (512/471-4271). Prospective student information is at www.utexas.edu/cola/.

Questions concerning transfer admission and transfer credit evaluation should be directed to the Undergraduate Admissions Center, John Hargis Hall, P.O. Box 8058, UT Austin, Austin TX 78713-8058 (512/475-7387). Admission information and Transfer Guides for other UT programs are at admissions.utexas.edu/apply/transfer-admission/.

- Core curriculum transfer credit from Texas community colleges is guaranteed to apply toward the UT Austin core, but degree plans may specify how to fulfill some core requirements. Recommendations in this Guide satisfy core requirements with courses normally prescribed by a student's major field of study at UT.
- Courses in which grades lower than C– are earned do not transfer. Grades from transfer credit are excluded from a student’s internal UT Austin grade point average computation.
- One course chosen from ENGL 2322, 2323, 2327, 2328, 2332, or 2333 or UT Austin’s E 316L, 316M, 316N, or 316P is required in all College of Liberal Arts degrees, even if other transfer credit is used to satisfy the core curriculum 040 Humanities requirement.
- College Algebra (MATH 1314) does not count toward degree requirements in the College of Liberal Arts, but grades and credit count toward transfer admission.
- Physical education activity courses do not count toward degree requirements in the College of Liberal Arts, but grades and credit count toward transfer admission.
