Consideration of the proposal to remove general education core requirements from A.S. degree requirements in the health professions and technology programs
  • Health Professions
  • Dental Hygiene
  • Interior Design
  • Biomedical Engineering Technology

UAC members recommended voting separately on degrees specific to the health professions and dentistry.
  • Motion: Recommend an exception to the Gen Ed core for all Associate degree students pursuing programs in the health professions (Paramedic Sciences, Radiography, and Histotechnology), effective immediately.
    In favor: 12
    Opposed: 1
    Abstain: 1

  • Motion: Recommend an exception to the Gen Ed core for all Associate degree students in the Dental Hygiene program, effective immediately.
    In favor: 13
    Opposed: 1
    Abstain: 0

*Update: EVC Paydar accepted these recommendations later on October 17, 2014.
